PASTOR'S SON ASSISTS IN CAPTURE OF SUSPECTED CHECK FORGER HERE; SPOTS PISTOL IN MAN'S TROUSERS

Morris Vossler, 16, son of Mr. and Mrs. O. B. Vossler, co-pastors of Campbell's Valley Temple, 12779 Lantana Drive, Campbell, was credited with an assist in the capture of George C. Gilbert, alias James P. Evans, 39, Indianapolis salesman, wanted in five states for questioning on forgery charges.

Young Vossler, part time attendant at Campbell Richfield Service Station noticed a gun (a .38 caliber Spanish revolver) sticking in a customer's belt and notified Campbell Officer Harry F. O'Connell Monday night.

Arlene D. Evans, Gilbert's wife, according to Campbell Police was apprehended last night and subsequently released to Federal Bureau of Investigation on fugitive warrants.

Gilbert was given a 30-day suspended sentence on gun-carrying charges when he faced Judge Paul Crawford of Los Gatos-Saratoga-Campbell District court Tuesday afternoon and \$50 fine on a traffic violation.

The court dispatched a release order to county jailers who were about to turn Gilbert loose when teletype information requested he be held for further questioning.

Campbell Senior Officer Robert Locke said Gilbert is being sought on bad check charges in California, Arizona, Texas, Oklahoma, and Nebraska.

He is also wanted for questioning concerning a Chula Vista armed robbery March 17.

Campbell officers Jerry O'Connell said Gilbert admitted passing spurious checks across the country in recent months. O'Connell added that checks totaling \$1000 are believed to have been passed in Bakerville and North Hollywood by Gilbert.

A check of police records showed Gilbert served two years in Oregon State Prison and a year in Terre Haute, Indiana jail before being transferred to Leavenworth Prison on bad check convictions.

Mrs. Gilbert, Campbell police said, also was found to have a criminal record dating from 1943 and convictions ranging from vagrancy to armed robbery. She is wanted for armed robbery in two cities in Southern California and in Sacramento, San Francisco, and Phoenix, Arizona on bad check charges, police said.

She has served time in Tehachapi Women's prison, one year in Oklahoma and Georgia, two years in Oregon State Penitentiary, and in Terre Haute, Indiana and Leavenworth, her police record showed.

Citizen Advisory Group For School Board Is Formed

The trustees of the Campbell Union Elementary School District have announced the formation of a 21-member Citizens Advisory Board, composed of volunteer members representing parent organizations in each of the district's six schools. The purpose of the group will be to assist trustees in solving problems.

Chairman of the advisory board is Mrs. S. P. Arnold; Mrs. Charles A. Schmidt is secretary. Terms of office will be one-year, subject to the decisions of PTA groups and school Dads' Clubs represented.

Voting power is held by 12 members of the parent groups; ex-officio posts are held by teacher representatives from each school, Trustees Edwin C. Van De Mark and Superintendent William C. Henley.

Parent members are Donald Gilbert and Mrs. Schmidt from Rosemary School, Mrs. L. G. Duvall and Mrs. Frank Stasi from Cypress School, Mrs. Richard B. English and Mrs. Arnold from Campbell Elementary School, James Barnett and Mrs. Ray Snyder from Quito School, George Orr and Mrs. Steve Anderson from San Tomas School, and Mrs. A. A. Barshaw and Norman Bowman from Moorpark School.

Teacher representatives are Mrs. Elizabeth Gillespie, Rosemary; Mrs. Irma Di Benedetto, Moorpark; Mrs. Dale Ruf, Cypress; Ralph Dill, Campbell; Ray Wilson, San Tomas, and Mrs. Doris Hubbard, Quito.

Principal matters which will be the province of this liaison group are plans, teacher recruiting and pay scales, transportation of pupils, improvement of school grounds, examination of financing, budget studies, courses of study and settlement of grievances.

Chairman of the trustees, Edwin C. Van De Mark, stated "This move is part of a nationwide attempt on the part of parents to take a more active interest in their schools. We welcome the many forms of aid which such a group can give us. The unit has our every blessing and assurances of full cooperation."

A meeting, open to the public, was held on the evening of April 27th in the Campbell Grammar School, to allow the new organization to explain its purposes. Ralph Dill, as chairman of the meeting, introduced the members of the advisory board, teacher representatives, Trustees Van De Mark and Merrill and Superintendent Henley.

Dill said "It is the committee's purpose to arouse greater citizen interest in our schools. As we become more familiar with school administrative function we will be able to do our job better."

George Orr, representing the committee outlined its formation and possible scope of operation. Orr announced that the committee has received approval from the trustees to reveal that new teachers just out of college are being offered a minimum salary of \$3,400 a year. An escalator clause makes possible later pay hikes.

It was also announced by Superintendent Henley that trustees will seek voter approval in an election June 16th on a plan to seek additional state aid money. He pointed out that up to \$750,000 will be asked to build a new 7-to-9 classroom school southwest of Williams and Winchester Roads and additional rooms at the Cherry Lane School. Said Mr. Henley, "Oddly enough, acceptance by the school district of such money may lower the school tax rate in 1954-55 to \$4.00 hundred assessed valuation, compared to its present \$5.00."

A new pantomime team of Carol Weeks and Jerry Anzelli will prove there is always something new in the pantomime field. One of the surprise entertainment packages of the year is in the emergence of the professional calibre singing trio of three faculty members, Ken Brown, Chuck Stephens, and Larry Newberry. Always a crowd pleaser, these men of song will feature four take-offs on standard pep favorites.

Two of Wallace's top drama class students will present two famous readings. Music and background colors will bring out the moods wanted by the readers. CUHS cartoonist, Bob Shockey will give a demonstration of palette talent before the audience.

SCVAL SWIM FINALS SET FOR FRIDAY

SCVAL swimming champions will be determined in the league swim-off tomorrow night at the pool at Santa Clara High school at 7 p.m.

Adding impetus to local hopes for the third SCVAL crown of the current school year, was last week's 39-35 win over Santa Clara last year's champs and pre-season favorites this year.

Although Campbell coach, Fred Gugat, was well pleased with the win, and especially with the performance of Ron Nichols, who did 26.2 for the 50-yard freestyle and 1:00.6 in the 100 freestyle, he was a little worried about his lack of depth in the finals tomorrow. While Campbell is undefeated in league swims this year, this lack of depth may provide the margin whereby other schools with a less impressive record could sweep to victory by sheer volume of numbers. Quantity of entries with its subsequent bolstering of scores through place winnings, may overwhelm the local squad which can best only by quality of entrants. League rules provided for unlimited entries for each school.

Ada Rebekahs Enjoy Luncheon At Rickey's

Twenty-two members of Past Noble Grands, Ada Rebekah, enjoyed a luncheon of Rickey's on April 27th, then toured Sunset House in Menlo Park. Mrs. JOHN P. MORELY gave a colorful report on the buildings and grounds of the western magazine, where the Past Noble Grands were conducted by Sunset's hostess through the editorial rooms, the kitchen where recipes are tested, and the gardens. Concerning the five employees, who then are given questionnaires, and thus are the recipes which appear in "Sunset" selected. Incidentally, there are 250 employees.

The setting is seven acres, formerly El Rancho de las Pulgas, through which the San Francisco Creek runs and where it has the same contours as the Pacific coastline. "Sunset" has planted along its eastern border the plants native to corresponding sections of the coast, making a miniature horticultural facsimile of the shoreline.

The buildings of "Sunset" are of adobe and redwood, with double thickness shakes on the roofs. Many of the offices look out on a lovely garden and have espaliered walls. The main doorway is hand hewn to represent an early Italian door. The furniture is largely antique, much of it hand hewn. The reception room is walled in glass. Handmade glazed tiles form the floor of all the building and even the patio, and radiant heat comes from beneath the tiles.

Among the patio tiles grow fragrant herbs.

Lamps and light fixtures are all handmade, most of them created by a tinsmith.

The Campbell ladies spent about three quarters of an hour on the conducted tour, then explored the garden paths, bordered by many rare and beautiful plants.

console, to encourage, to sympathize, to rejoice. Your grief is his sorrow, your happiness his job well done. You cannot practice medicine or compound prescriptions without developing deep feeling for and interest in those who entrust their health to you. Only the best is good enough for our patrons.

'LEGEND OF OLD'—A Poem

by CLARA BEEBE BALDWIN
A prosperous, happy people were they
This nation of which we tell,
They had boundless wealth and glorious health,
And thought that all things were well.

They decided they were up to date
With no need for the Golden Rule;
They would open the door, in it
would store
All creeds of the good old school.

So sure were they, they could stand alone,
They tossed Prayer upon the shelf.
Science is King. We don't need a thing;
We can stand by power and pelf.

Faith, Hope and Charity, next were stored
With relics of a bygone day.
The Bible came last. It belonged to the past,
Science would help, the new way.

Nothing worked out as the people had planned;
Hard luck rolled in like the tide;
There were poverty, strife in every day life
Dealing blows to their arrogant pride.

'Gainst lack of employment, hunger and cold,
Science seemed of no avail;
They studied and planned with means at command;
Each plan seemed doomed to fail.

No aid was found, for this tide of woe
That flowed o'er the Nation's head;
All over the land stalked hand in hand
Fear, poverty, crime and dread.

Then came one humble as a child,
And flung open the closet door,
With reverent heart, he did his part
And gave hope to the world once more

CAMPBELL HI-LITES

by Bob Olson

Five Campbell High School cadets spent last weekend taking Leadership Course Tests at Grant High School in Sacramento. We are happy to announce that all five, Sgt. Dan Dwyer, Sgt. Gary Fuller, Sgt. Dick Chadwell, Sgt. Ray Shamrock, and First Sgt. Jim Ratzel not only passed the tests but had a good time in the capital city as well. They were accompanied by Commandant of Cadets, Robert Campbell, who returned maintaining "I was proud of those boys; I'd be happy to take them anywhere."

Arriving at 1600 Friday night (that's 4 P. M. to you civilians), they registered, set up their cots, and made their beds army style. Then during the next forty-eight hours, they were oriented, received instruction in seventeen different phases of leadership, had wonderful recreation periods in Grant's superb swimming pool, attended religious services, and consumed "unbelievable amounts" of such army delicacies as beans, turkey, spaghetti and meatballs.

Our quintet (whose official title is, of course, the 53rd Battalion, California Cadet Corps) was part of a large group of 142 which set a state record of high rated exam scores. Our future is secure in such hands!

Further congratulations are due two of our illustrious juniors, Don Davis and Dick Takaha, for their accomplishments over the weekend. At the district meeting of the California Association of Student Councils held Saturday, April 25th, at San Leandro High School in Alameda County, Don was elected State President of this organization. This constitutes a real honor for C. U. H. S. as well as for Don. Dick Takaha was elected regional treasurer.

Alice Jones, now one of our seniors, and a former state officer, accompanied the group as did another junior, Dick Carter, and the group's faculty advisor, Mrs. Doris Seaton. Mrs. Seaton thoroughly enjoyed the jaunt, thanks to the good manners of our surprisingly mature representatives and the consideration shown Campbellites, principal of San Leandro High, and brother of Mrs. Flint, the CUHS Latin teacher.

One last local honor: According to CASC rules, the president is expected to appoint a Secretary, which means, of course, that our school can now boast two CASC State Officers.

We haven't mentioned Bill Big Gregg since football season, but after last Friday's feats, he deserves another small plug. Not that he needs one, with the whole

valley quite conscious of our triple threat man who is strong as a bull and runs like a deer. In the track meet against Santa Clara here on our oval, he led Coach Morgan's spikemen to an easy 79-43 victory when he copped both the shot put and discus events. He handed Panther Ed Ruiz his first setback of the year in the shot put with an unbelievable 47 feet three inches. Then he outdid himself in the discus with 126 feet, one inch, which surprised everyone and stunned the favored Bud Thomas of S. C. Ray Cureton also starred for the Buc's winning the low hurdles and taking a close second in the high hurdles. Campbell also won the "C" meet 51-44.

Everybody is talking about the terrific assembly coming up in early May. It will feature the faculty in what has been optimistically "A Sensational Show" and All Talent Show. We hear it will beat a Q-man Band which has more oom pah pah than Harry Horlick and his Hot Wienerschnitzels, and a Corinthian Chorus in 1920 costumes singing songs with lyrics better than Oscar Hammerstein and a director with the poise of Toscanini and patter of Red Buttons. This may not bring back vaudeville, but it will sure hurt TV... Or somebody's eardrums!

You have a pretty terrific show in store for you tomorrow night, starting at 8 P. M. in the auditorium. Mrs. Jennings tells us that every variety of dance will be exhibited: modern, ballet, folk, and tap. Her girls have been working over three months, giving much of their spare time to composing and then polishing their Terpsichorean Twirls lunch hours as well as after school. You can scan their entire program in another column, but might I suggest you especially note their "Shades of the Twenties" routine. It's the greatest high school entertainment this onlooker has ever enthused over; you don't believe you're only seeing sixteen year olds (and of the 1933 variety!) doing Black Bottom, Hot Dawg, and the inimitable Charleston. Mrs. Jennings has a great talent, which many Campbellites are finding delightfully contagious. This Modern Dance Club of hers which meets every Thursday from 3:45-5 has already set tongues wagging with Mannattan Tower high school Dance Symposium. We and for their part in the recent think you'll agree that their latest effort is their most ambitious to date. Certainly there are many inferior groups on TV.

Mr. Wallace's Dramatists are also knocking themselves out. Ray Mossholder tells that the Women Playing Cards bit will pull down the applause meter. Bob Shockley, an original cartoonist will "show us how" on a stage easel. And of course, "Everybody's hillbilly Darling" Elaine Grizilo, will thrill everyone with more of her Kentucky Korn. Whether you're looking for Broadway ballet, Martin and Lewis type comedy, or an operatic number (in the form of an authentic Madame Butterfly), from tomorrow night's auditorium we think that you'll come away saying "Better than ever!"

CAL-SUPPLY, HANKLA DE SOTOS ON SOFTBALL PROGRAM FRIDAY

Big time softball returns to Campbell this weekend after an absence of several years, when California Supply Co. "Blue Streaks" starts a home schedule of 25 games at the Campbell Grammar School diamond.

Opening game will be Friday May 1, with Hankla De Sotos of Sebastopol furnishing the opposition. This contest will be followed by a game Saturday night, May 2, with Folger Lumber Co. of Berkeley, and still another Tuesday May 5, with San Mateo Merchants providing the opposition. None of the three need any introduction to dyed-in-the-wool softball fans.

Hankla De Sotos are the same Weeks Hardware nine, which in 1952 won the championship of the Marin-Sonoma-Mendocino county district, and finished in fourth place in the Northern California Regional Tournament at Napa, ousting Western Gravel, Santa Clara County's representative, along the way.

Folger Lumber Co are almost perennial champions of the Berkeley-Albany-Richmond district, and San Mateo Merchants represented the San Mateo county in the Regional Tournaments of the past several years, besides finishing second in last year's Northern California Softball league.

Cal Supply's "Blue Streaks" have won six out of seven early season practice games on the road, in which they have scored a total of 38 runs to their opponents' ten. Among teams beaten in this series have been Rasmussen & Moody of Monterey, 1952 district champions of the Pacific Grove area, U. S. Naval Auxiliary Air Base of Monterey, Galileo Club of Berkeley, Moffett Field Flyers and two San Jose teams, Italian-American Club and Welding Service. The lone defeat was at the hand of Menlo Motors, a 2 to 0 setback in Redwood City.

Pete Sanders pitched six of the seven games, giving up five earned runs and 18 hits in 43 innings. He struck out 79 batters and walked 7. Bud Bosque pitched the other game and faced only 23 batters in 7 innings, permitting only three hits and collecting ten strikeouts, without walking a batter.

Both Bosque and Sanders will be seen in action this weekend, although in what order will not be known until game time.

Other members of the team are first baseman Bill Benevise, third baseman Merv Berthoff, left fielder Art "Big Red" Le Deit, center fielder Buster Fontaine, Jake Wood, and George LeDeit from Western Gravel, four times in succession Santa Clara County district champions; Gene Menges, former great San Jose State football star, Ray Rodriguez, Bryan Foley and Wil Concklin from the 1952 California Supply Co., runnersup to Western Gravel in county competition, Jack Casey, fiery little second baseman, who has become known as the "Eddie Stanley of Santa Clara County softball" and Don Ouellette, speedy young outfielder last year with Sunnyvale Merchants.

The team will compete in the California State Softball league, with such teams as Napa Merchants, 1952 Northern California Regional champions; Rouse & Boivie Magic Carpets of Richmond, Galileo Club of Berkeley, San Mateo Merchants, Peninsula Homes of Redwood City, Menlo Motors of Menlo Park and Willi Oilers of San Jose. The league season starts Tuesday, May 12, with the "Blue Streaks" traveling to Redwood City to meet Menlo Motors. They return home Sat. May 16, to open their home league season, by facing Napa Merchants.

MRS. Robert Munn, one of the featured soloists in this afternoon's 'summer serenade' annual Women's Service Club Tea is noted for her pianologues with original music composed from selected poems. She may be heard today at 2 p. m. at the Campbell Methodist Church.

El Quito School Observes Public Schools Week

Last Monday night, El Quito Park School observed Public Schools Week, with each of the four classes participating. Mrs. Kathryn Gum's morning and afternoon kindergartens will hold their programs this coming Friday, to which all parents are welcome to attend both the morning and afternoon sessions.

At 7:00 p. m. Monday, a bell rang, which brought all the parents into the room of their choice, as guests of the children. Following a half hour demonstration, the rooms were then open for visiting and reviewing the children's work.

The following program was presented: Mrs. Jane Sullivan's first grade: word building and number experience; Mrs. Lucy Messimer's first grade: methods in arithmetic; Mrs. Bertha Raab's second grade: phonics and visual aids; Mrs. Barbara Niles third grade: review of subjects taught in third grade. Mrs. Isabel Doyle and Mr. Robert Tack had their fourth grade present social studies through group planning and audience reading with evaluation.

Sen. Thompson Attacks Legislation As Discriminatory To One Industry

SACRAMENTO, April 15 (CNB)—Senator John F. Thompson of Santa Clara county this week assailed legislation which would discriminate against one industry and give complete monopoly to another in California.

The Santa Clara legislator was one of six senators to vote against a bill which would prohibit the manufacture, distribution and sale of frozen desserts, or "imitation ice cream," as it is popularly known. The measure would restrict the basic ingredient of any frozen desserts to butterfat, making the use of such products as vegetable oil illegal.

"To prohibit the market of a product which the dairy industry itself admits is 'indistinguishable' from ice cream made with butterfat, is against the very principles of free enterprise," Thompson declared.

The imitation ice cream, now being sold in other states at one-third the cost of ice cream, contains all the ingredients in the dairy product with the exception of table oils.

"The consumers of Santa Clara county in 1949 demanded that colored oleomargarine be permitted to be sold in the state because it was a cheaper product yet contained all the qualities of butter," Thompson stated. "I voted for the oleo bill, just as I oppose this bill which would protect one industry at the expense of another."

Thompson said to vote for the dairy interests would be like voting to ban the manufacture and sale of synthetic products at the request of the cotton or lumber industry of the state.

"You can imagine what the women of this state would think of the legislature if they voted to ban the manufacture and sale of nylon hose, just because the cotton industry urged that type of discriminatory, class legislation," Thompson said.

The senator said the dairy industry in the state and in Santa Clara county was an integral part of the economy of the entire state, but declared that he was "elected to serve all of the people of Santa Clara county and not just one segment of the population."

The senator cited testimony of an individual consumer who appeared as a witness against the measure when it was heard recently in the committee on agriculture in the upper house. The witness said:

Girl Scouts Purchase Camp Site
With Money From Sale Of Cookies

A 225 acre plot overlooking the Pacific Ocean has become very dear to the hearts of the Girl Scouts of Santa Clara Valley. For over seven years, the Girl Scouts in this area, which includes Cupertino, Campbell, Saratoga, Los Gatos, and Santa Clara as well as San Jose have been saving their cookie profits, and looking for just the right spot for their camp.

Skyline Ranch, as this site is now called seemed to be the answer to all of their dreams. It is located 11 miles North of Davenport, and 3 miles East of Highway 1, and high on top of part of the Coast range. There is a beautiful meadow in the center of the property, surrounded by apple orchards, and various evergreens. Over the ridge from the meadow are several redwood groves which will be used for unit sites. Whitehouse Creek borders one edge of the land, and there is a beach accessible for bathing and sunning. A large redwood lodge, complete with stone fireplace can be used by the girls for Troop Camping as soon as it is made available for use.

Mrs. Harvey C. Miller, and L. F. Richards, have served as co-chairmen of the committee which has spent so many hours scouring this area. Richards estimates that more than 50 sites have been investigated by this and the former committee before the selection was made. Others who have been active include: Mrs. Louis Paviso, Mr. Armand Cailleau, Mr. H. C. Miller, Mr. William Lorimer, Mrs. Harold Easterbrook, Mr. L. S. Parnley, Mr. and Mrs. Ray Ruf.

Mrs. Miller, former president and Mrs. Armand Cailleau, currently president of the Council wish to emphasize that the camp was purchased entirely through profits from cookie sales saved for this purpose during the last few years. "We are indebted to the public in this area who have supported the Girl Scout Cookie Sale for making this campsite a dream come true", said Mrs. Cailleau.

Plans for the summer of 1953 call for a three weeks Senior (high school girl) camp, with Mrs. Dennis Tedford as camp director. Younger girls will camp at Camp Big Sur this season, with the hope that by 1954, all local Girl Scout camping will be at the new site.

SERVICE
NOTES

Gilbert W. Johnson, who lives with his parents, Mr. and Mrs. Fredolf Johnson, at 279 W. Rincon Ave., has enlisted in the First Air Delivery Company, the Organized Marine Corps Reserve Unit at Moffett Field.

While attending Campbell Union High school, he was employed by his father as a carpenter. He has also attended San Jose State College and worked for Sterns Leather Company in San Jose.

According to George H. Buck, First Lieutenant, USMCR, men who join the Marine Organized Reserve Corps now, are eligible, if they so desire, to attend the two-week summer training camp with the First Air Delivery Company at Camp Pendleton starting on June 27. Recruits who attend the summer camp will be eligible for promotion to PFC upon their return to Moffett Field. Before and after the summer training camp, the Marine Reservists will attend the Wednesday evening training meetings at Moffett Field.

Serving aboard the heavy cruiser, USS St. Paul on her third tour of duty in Korean waters in the Far East are Robert C. and Melvin R. Blue, seamen, USN, the sons of Mr. and Mrs. J. M. Blue of 789 Whiteoaks Road, Campbell. During her previous cruises in the Far East, the St. Paul ranged the length of North Korea's east and west coasts and participated in actions at Hungnam and Wonsan. Her duties varied from gun-fire support to UN troops to the destruction of Red supply lines and bases, and destroying railway targets along both coasts.

Quito Box Social
A Big Success

Hoe-downs are fun, was the opinion of those who attended last Saturday night's box social at the Quito School.

Even those who missed the dinner portion of the P. T. A. sponsored affair had an enjoyable time as there was plenty of other entertainment to be had.

Dancing, both square and ballroom, was offered in the cafeteria and anyone tiring of that could wander to the card room for a fast rubber of bridge or a few moments of kibitzing, or could spend their time at the White Elephant booth bidding on the varied items being auctioned there.

Mrs. Ray Snyder, president of the P.T.A., stated that the committee in charge was well pleased with the financial and social success of the evening.

Your congressman was AT SEA over the weekend... Following adjournment for the week, 66 members left the Naval Air Station at 1830 (this had always been 6:30 to me), arriving in Norfolk at approximately 1930. We immediately embarked on the aircraft carrier USS Coral Sea. The Coral Sea is the largest ship afloat and is the Flagship of Carrier Division Six. Almost 4000 men make their homes on this one vessel. Actually it is a city afloat with its own hospital, barber shop, three stores, laundry, post office and one unique feature—a hamburger and milk shake stand—the only one in the Navy. Hamburgers with a full quarter of a pound of meat sold for 10¢ and milkshakes were a dime as well, and officers aboard told me they considered the hamburger stand their greatest morale builder. When at sea for a long period of time they claim nothing cures homesickness better than a hamburger and milkshake.

The following day (Saturday) we were privileged to see a complete rehearsal of a Naval operation. 16 destroyers formed a protective circle around the Coral Sea, the USS Champlain (another carrier) and USS Baltimore (heavy cruiser). Both jets and propeller driven aircraft were launched by the two carriers and heavy dive bombing, rocket, napalm (jelly gasoline), and strafing attacks were conducted against a spar-towed by the destroyer USS Maccumb. Helicopter rescues at sea were demonstrated and one unscheduled transfer of a sick sailor from a destroyer to the Coral Sea for an emergency appendectomy was carried out by helicopter. Destroyers, blimps, and propeller

driven radar planes conducted an anti-submarine exercise with several depth charges exploded within 100 yards of the two carriers.

Another interesting event of the day was a personnel transfer from the USS Buckley (a destroyer) to the Coral Sea. During a refueling operation when fuel was pumping from the Coral Sea to the destroyer, a line was shot between the two vessels and we witnessed a relieving ceremony on the bridge of the Buckley when the command was changed and the retiring skipper was transferred to the Coral Sea. A most impressive sight, I might say.

The most spectacular event of the afternoon was the drone fire against a radio controlled obsolete World War II fighter. The USS Baltimore brought the plane down in flames before it arrived within range of the Coral Sea's guns.

Recovery of aircraft (landing) is most impressive when jet planes are brought down from a speed of 150 miles an hour to a standstill in less than 100 feet. An observer from the Air Force who was aboard commented that "Those are not landings, just controlled crashes."

This weekend was of great value to all congressmen who made it contributed greatly to our fund since this was a regularly scheduled training operation and each member of congress paid the officer's mess fund for his board, but it contributed greatly to our fund of knowledge. It impressed me with the caliber of men in our United States Navy and the marvelous job they are doing under difficult circumstances. We have a right to be proud of our Navy.

Moreland District Dad's Club To Meet

Plans for the coming Dad's and Kids event will be discussed at the next regular meeting of the Moreland Dad's Club, Monday night, May 4 at 8 p.m. in the Cafeteria. President Richard H. Nolte hopes that all fathers with boys or girls at either Moreland or El Quito Park Schools will attend.

The "Dad's and Kids" meet will be Friday, May 8, around 5 p.m. at Moreland. Free refreshments

will be served and movies shown afterward. Edward Creelius of Paseo Lado will go to classrooms at both schools prior to the event and talk directly to the children, telling them the fun they and their fathers are scheduled for. Harry Prodd is entertainment committee chairman and Harold Easterbrook is in charge of refreshments for this May 8th affair.

Campbell Register

Five fishers went fishing at Pig-eon Point last Sunday: Mr. and Mrs. C. M. CLEVER, BARBARA and JUDY CLEVER, and DOUGIE HUMMEL. The Clevers brought home seashells and driftwood, while Dougie, who is six, hooked the total catch, one perch. At home his mother, Mrs. MARY HUMMEL, fried it in a pan, and Dougie ate it like a man.

The Campbell Garden Club took first place at the Iris show held last Saturday and Sunday at the San Jose Anglo-American Bank. Several members also won individual awards.

A number of the Garden Club members also attended the flower show held last week end at the Palo Alto Community Center.

Home Extension

A most attractive array of home-stitched gifts was displayed by Mrs. Clarence Helmbold and Mrs. O. G. Hunt, project leaders, at the April 22nd meeting of the Cambrian Home Extension. Checkered pation tablecloths with aprons to match, fringed Indian Head place mats, burlap mats with pockets for napkins, and a child's bathrobe made of a turkish towel were among the many clever ideas demonstrated. Mrs. Hunt also

showed club members how to use sewing machine attachments. Election of officers was held at the meeting, with Mrs. John White being chosen new chairman. Other officers elected are Mrs. Max Nigl, first vice chairman; Mrs. Marvin Hudson, second vice chairman; Mrs. Carroll Day, secretary. Cup cakes and coffee were served by Mesdames Carroll Day, George Petrea, Thomas Hiland and Herbert Gilbert.

CUHS Band Joins Area Schools In Music Festival

Campbell High School band under the direction of Willard LeCroy, last night participated at Los Gatos High School, in the Santa Clara County High School band festival along with other high schools of the valley, Los Gatos, Mountain View, Santa Clara, Fremont, and James Lick.

Last night's performance was the seventh renewal of the annual affair, given once each year at a different high school.

While the festival was non-competitive, Harold Johnson of the music department of San Jose State College, gave helpful criticism and comments at the conclusion of each school's rendition of selected numbers.

Campbell High school's band as their contribution, selected "National Emblem March," by Bagley, "Phantom Regiment," by Leroy Anderson, and "Tchaikowsky Melodies," arranged by Paul Yoder.

Clark Bradley Opposes Bill To Ban Fake Dessert

Assemblyman Clark L. Bradley of San Jose was one of the members of the so-called "free enterprise" bloc in the lower house to vote in opposition to a bill to outlaw imitation ice cream in California.

The bill was defeated 34 to 37 in the Assembly late last week after it had hurdled the senate and the Assembly committee on livestock and dairies. Assemblyman Bruce F. Allen, the other member of the Santa Clara delegation in the lower house, voted in favor of the measure. Senator John F. Thompson was one of seven who opposed the bill when it came to the floor of the senate.

Debate on the issue, one of the hottest to come before the lower house this session, brought charges of "discrimination" and "dairy industry monopoly" from opponents of the bill.

The imitation ice cream, opponents contend, contain all the ingredients of ice cream, but substitutes vegetable fat for butterfat. It would sell for a third less than ice cream.

In their arguments in favor of the measure, the proponents claimed the imitation product would destroy the economy of the dairy industry.

Scionti, Mrs. Ellie Tatum, Mrs. Kay Di Amicis, Mrs. Margaret Loe, Mrs. Sadie Piazza, Mrs. Marge Guantone, Mrs. Bernice Shoda, Mrs. Jo sephine Gervas and Mrs. Emma Giannini.

One hundred twenty district boy Scouts and 26 leaders participated in a District Camporee held at the Stuart Scout Camp above Saratoga last week-end.

The Scouts from eight troops and two explorer posts set-up model camps, cooked their meals, and gave demonstrations of Scout skills in the two-day Camporee. Each of the 24 patrols was judged on its camping proficiency by committees of adult leaders.

Highlights of the Camporee were the Saturday evening campfire and the Sunday "Adventure Trail" participated in by all Scouts.

In the "Adventure Trail," Boy Scouts received a ten minute demonstration of Scouting skills at 12 different stations along a mile long trail.

The 12 demonstrations and their leaders were: Tracking and Signaling by Explorer Scouts of Post 26; All care by Barney Drumm of troop 26, lashing by Bill Hergott of troop 35; Artificial respiration by Jack Allcorn of Troop 9; First Aid and stretcher methods by Harry Hammond of Troop 33; Use of Compass by Bob Guio of Troop 28; Tent pitching, E. B. Mortenson of Troop 26; Fire Building by Mr. Delia of Troop 31; Judging Height by Vince Diehl of Troop 32; and Throwing Life Lines by Martin Farnham and Fred Welty of Troop 34.

At the conclusion of the Camporee awards were to qualifying patrols and high individuals in the "Adventure Trail" tests.

"A" ratings of Camping Excellence were given to the Apache

Patrol of Troop 34 of Cambrian and the Flaming Arrow and Eagle patrols of Troop 26 of Moor park.

"B" ratings were given to the Wolf and Panther Patrols, Troop 26; Flying Eagle and Beaver Patrols, Troop 28; Snake Patrol of Troop 31; Eagle and Daniel Boone Patrols of Troop 32; Flying Eagles Patrol of Troop 33; Eagle and Wolf, Patrols of Troop 34; Beaver and Eagle Patrols of Troop 35. "C" ratings were given the Panther Patrol of Troop 35; Explorer Patrol, troop 33; Junior Leader and Apache of Troop 31; Cheyenne and Zero Patrols of Troop 28; and the Owl Patrol of Troop 9.

High individuals in the "Adventure Trail" were Jimmy Delander of Troop 28 and Lee Schimm of Troop 35 with 12 points, Jack Allcorn, Jr. of Troop 9 with 11 points, and Jimmy Mallman of Troop 35 with 10 points.

Lance Mortenson of Troop 26 acted as camp bugler.

Scoutmaster Jack Allcorn of Troop 9 was the chaplain for Sunday morning Church services. In charge of the Camporee were Mark Judy, Boy Scout Field Executive, and Al Smith, Camping and activities chairman.

"This has been Campbell District's most successful as well as largest Camporee, stated chairman Al Smith, "Co-operation is what made it outstanding. All the adult leaders present pitched in to help make the Camporee a noteworthy display of Scouting skill. Even the weather was cooperative, with rain threatening but not falling until the final bugle call was blown."

Hittin' the HI-SPOTS

with Wayne Sturtevant

Fella asked me last week, what are these hi-spots that I keep hittin' every week . . . He says (and I quote) "You keep talkin' about these high spots, but I don't ever see you hittin' any of them." He had a point there.

Then another fella says (upon being glad-handed), "Oh, sure, I read your column every week . . . I think it's swell to keep up on the high school doings." That "Hi" can be taken many ways, evidently, most of them very wrong . . . That's what happens when you try to be friendly . . .

The gist of all this is the unanimous announcement that as of next week this "Thing" will bear a new title which is undetermined at this time and probably will still be undetermined next week at this time . . . Any suggestions readers? I could have a contest and let the winner write the column for six months . . . Or could forget the whole thing.

All suggestions will be confiscated and become the property of yours truly . . . So don't delay, send your today. Who knows, you may be the lucky winner.

THE BIG MOVE IS ON . . . Campbell Furniture & Appliance, Decker's Market, and Jimmy Arnold's Meat Market are all in the process of leaving their present locations on Campbell Avenue . . . Far as we know, the only one lucky enough to find another place to roost is the Meat Market, which is shifting East a block or so . . .

Here is something very interesting which came through the mails last week. It was compiled strictly as a matter of information, and I pass it
